*Hospice of Kankakee Valley's
Memory Garden*

Hospice of Kankakee Valley is a 501 (c) (3) non-profit organization founded in 1982. The mission of HKV is to provide compassionate physical, emotional, spiritual, and social support to terminally ill individuals and their families.

The memory garden will act as a tranquil setting to enjoy the beauty of nature. It is a place of peace and reflection. In addition, it is a place for loved ones to memorialize their family members. It will be located along the back of HKV's office alongside Route 102 in Bourbonnais.

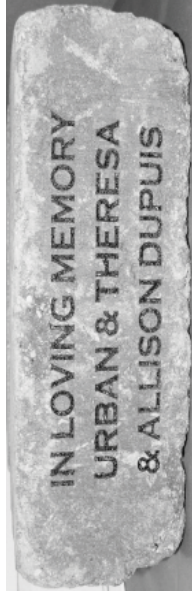

Ground-Breaking for the Memory Garden is planned to take place in April of 2010, with an "Opening Ceremony" to take place after the garden is completed.

Help HKV build this garden of hope and healing for our community to enjoy.
